

Movielux Compact

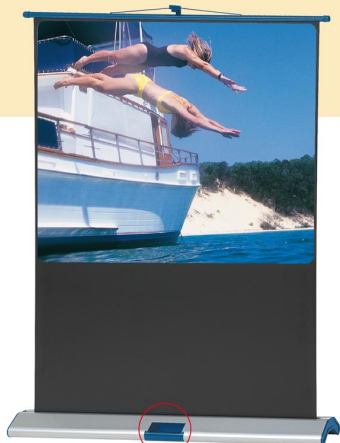

Mobile cinema at home

No matter where you want to set up your screen, whether in the living room, the games room or even outdoors, the Movielux Compact can conveniently be carried around the house thanks to the integrated carrying handle. The Movielux Compact is modern and attractive in its design and extremely easy to use.

- Perfect flatness of screen surface
- Projection screen is infinitely height-adjustable
- Carry handle at the front
- Black border for clean edges: the projected images appear clearer in terms of contrast; 4:3-format
- No loss of space through tripod feet
- Space-saving storage
- Mounting for telescopic-tripod underneath the screen casing
- Casing colour: white aluminium, RAL 9006

Screen surface

- Front projection, **Type D**
- Gain factor according to DIN 19045, approx. 1.2
- Matt white, foil basis
- 2 cm black border
- Rear side: black

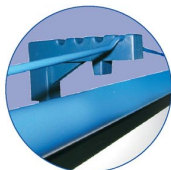

Carrying handle

Movielux is height-adjustable

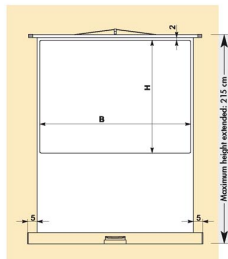

Reverse side: simply insert the tripod rod

Integral folding arm ensures the screen surface is correctly tensioned

Beautiful and contemporary in design
